

To parents

Board of Education Secretariat
Motomachi Elementary School,
Principal Atsushi Miyagi

Notice of extension of School closure period

~No classes on May 7 and 8, 2020~

We would like to express our appreciation for your continued support and understanding. We previously announced that the school would remain closed from April 8 to May 6. However, due to the present circumstances, this period will be extended until May 8. During this period the school will open its playground and receive students under exceptional circumstances.

1 Extension Period: School will remain closed until *Friday, May 8, 2020*

2 Exceptional Circumstances

(Students who can go to school because of special situations at home)

Thursday, May 7 and Friday, May 8: From 8:30 to 14:30

○ Exceptional situations:

- ・ Special Needs classes, first, second, third and fourth grade students whose parents/ guardians are not allowed to take those days off from work or work remotely.
- ・ First grade students need to come and be picked up by their parents/guardians.
- ・ Things to bring: 「Textbook, workbooks (for self-study)」, 「health check card」 and lunch.

○ If the student or any member of his/her family is feeling sick, he/she cannot come to school

3 Time and days that students can play in the school ground

Thursday, May 7 and Friday, May 8 From 13:00 to 14:30

○ Things to bring: handkerchief or towel, something to drink, health check card.

4 Release of video lessons on May 7 and 8

Video lessons will be available on tvk and through the internet on May 7 and 8 for students to study from home.
