### Notice: The School will be closed from May 11

We deeply appreciate your continued understanding and support. The school will be closed until May 31, 2020 due to the state of emergency declaration.

During this period the school will receive students under exceptional circumstances (緊急 <sup>kinkyuu</sup> 受入れ <sup>ukeire</sup>). If you have concerns about your son/daughter's education or his/her daily life at home, do not hesitate to consult with the school.

#### 1 The school will be closed from **May 11 (Mon.) to May 31 (Sun.)**

- There will be no club activities during this period
- Please take into consideration that this period may be extended.

#### 2 (緊急受入れ <sup>kinkyuu ukeire</sup>) Exceptional Circumstances (Students who can go to school because of special situations at home)

##### **From May 11 (Mon.) to May 29 (Fri.) (Saturday and Sunday are excluded)**

- Special Needs classes, all grades, whose parents/ guardians cannot take those days off from work.

- Things to bring: 「 **Please ask your teachers** 」、 「健康観察票 <sup>kenkou kansatsu hyo</sup> (health check card) 」 and **lunch**.
- **If the student or any member of his/her family is feeling sick, he/she cannot come to school**

#### 3 Consultations with the school

Please first call the school if you would like to consult with us.

(Phone number: 045-712-9800)

#### 4 About remote lessons

During this period, video lessons will be available through the internet on for students to study from home.

#### 5 Children's health and daily life during this period.

During the period in which the school will be closed, please pay attention to the following aspects of your children's health and daily life.

(1) Regarding their health

- Please take your fever every day in the morning and record it
- If you or any member in the family has visited the hospital for a fever, a cold or has been diagnosed with COVID-19, please contact the school immediately

(2) Regarding your daily life

- As much as possible, stay at home
- For a healthy mind and body exercise a little every day
- If you go out, please respect the rules and be respectful
- Please set a time to use the computer, watch TV, or play video games. If you find yourself in trouble, please ask for advice or help from an adult
- (For parents) Please make sure that your child knows how to contact you at any moment
- During this period teachers will be at school, so if you are worried or feeling anxious about a certain matter you can contact the school

#### 6 Regarding June 1

Please check the school or the Yokohama Board of Education web page, notifications for new information and details regarding June 1 onward.
