**A: No.**

**B: No?**

**A: Ibuki. Haruka.**

**B: Ah! Haruka.**

**A: Mami. Takeru.**

**B: Ah! Takeru. Okay, so Ibuki, Haruka, Mami, and Takeru.**

**A: That' s right.**

**B: I got it. Thank you.**

**A: So now they' re having lunch.**

**B: Really?**

**A: Now let' s listen and hear about their lunch stories.**

**B: Ah, okay. Let' s listen.**

**A: Mami and Haruka are talking about food.**

**B: Mami and haruka are talking about food? Okay.**

**A: What food are they talking about?**

**B: Ah. What food are they talking about? Okay, I' ll listen.**

**(CD STARTS)**

**Takeru: Haruka looks so happy! What happened? Maybe Kyoko praised Haruka' s script, Haruka' s feelings can be understood easily.**

**Ibuki: Do you know him?**

**Takeru: No, but he seems to know Haruka very well.**

**Tomoki: I' m looking forward to your next play. You can do better than us.**

**All: Huh?**

**Takeru: Who are you?**

**Tomoki: I' m the great senpai, Tomoki!**

**All: What?**

**Ibuki: Is that you?**

**Tomoki: I lost weight and changed my hairstyle.**

**Haruka: I finished my lunch, but I'm still starving!**

**Mami: Haruka, you have a big appetite these days.**

**H: Yeah.**

**M: Poor Haruka, I'll give you some meatballs from my lunch.**

**H: Thank you! What are these meatballs made from?**

**M: They are Mami's special homemade meatballs. They're made from soybeans.**

**H: Wow! I appreciate your kind offer, Ms. Great Cook.**

**M: Don't take any more, Haruka! What is your next event going to be? Anyways, someday I want to perform in your play.**

**H: You're always welcome to join the drama club, Mami.**

**Haruka: I'm always eating sweets when I'm writing difficult scenes. The villagers wanted to cut the cherry tree because it did not bloom anymore. The man was against the villagers' idea to cut it down. Then the man was isolated. He said to the woman, "I know you are the spirit of the cherry tree. You must go back to the tree!" Then the man became lonely again and left the village. Oh, my stomach is making a noise again. I'm hungry!**  
**Haruka.**

**(CD STOPS)**

**A: So, what are Haruka and Mami talking about?**

**B: Ah, They're talking about meatballs!**

**A: That' s right.**

**B: The meatballs are made from soybeans.**

**A: Oh, that' s right. They' re talking about meatballs. The meatballs were made from soybeans. Do you like meatballs?**

**B: Yes, I like meatballs. How about you?**

**A: Me, too. I like meatballs, too. So I have a lot of pictures from their lunch.**

**B: OKay.**

**A: One.**

**B: Oh, they' re eating lunch in the classroom.**

**A: Two.**

**B: She has a riceball. It' s a computer.**

**A: Yes.**

**B: Who is that?**

**A: We have six pictures. They're not in order.**

**B: Oh, no!**

**A: Please put them in order.**

**B: Okay, I' ll try.**

**A: Let' s listen.**

**B: I' ll listen carefully.**

**(CD PLAYS ONE MORE TIME)**

**A: Did you get the correct order?**

**B: I think so... This one is first, and then they're surprised so they stand up. This one is second. And then they talk about meatballs. This is a riceball, so we don't need this one. This is the same picture, so we don't need this one, either. So, this is first, this is second, and then they talk about meatballs. This is number three. And then Haruka writes in her diary. Number four. Okay, this one is first, this one is second, then this one is fourth. I think this is the correct order.**

**A: Is it right?**

**B: I don't know. I'm not sure.**

**A: Let's listen again.**

**B: Oh, good. Let's listen again.**

**(CD PLAYS ONE MORE TIME)**

**A: We did a great job. At first, Takeru, Haruka, and Ibuki are eating lunch. What happened?**

**B: Then suddenly a strange man comes**

**A: That's right. And then Haruka is talking with another girl**

**B: That's right. She's talking with Mami.**

**A: What are they talking about?**

**B: They're talking about Mami's meatballs.**

**A: That's right. The meatballs were made from...**

**B: Soybeans!**

**A: That's right. The meatballs were made from soybeans.**

**B: I love soybeans.**

**A: Do you like meatballs?**

**B: I like meatballs and I like soybeans.**

**A: Oh, that' s good. And then, what happened? What is she doing?**

**B: Then Haruka is writing in her diary.**

**A: That' s right. What is she always eating?**

**B: Ah, She' s always eating sweets.**

**A: That' s right. She' s always eating sweets when she writes scenes for the play. You know the story very well!**

**B: I' m getting to know it!**

**A (to the audience): So, that' s all for today. See you next time!**

**A & B (to the audience): Thank you! Bye!**
