Teachers will be careful and maintain the classrooms clean and neat to assure the students' good health.

### 2 Timetable and things to bring

Please take a look at the information from school

### 3 About school lunch

School lunch starts on Monday, April 13.

### 4 Please check your child's health before she/he leaves for school

Before going to school, please check that your child does not have a fever, cough, difficulty in breathing, headache, etc. If he/she does not feel well, please do not send him/her to school. Before going to school, make sure to fill in the health check card every day.

Please be aware that if a child gets a fever after going to school, we will contact you, take safety measures for him/her to return home and instruct the child to take a rest at home, as instructed by the Ministry of Education, Culture, Science, Sports and Technology.

### 5 Others

To keep your immune system in good shape, please try to sleep well, exercise moderately, and follow a nutritionally balanced diet, and have a regular life.

If you have any concerns about your child's health, please do not hesitate to consult with the school.
