4 About fever

• If student's fever is 0.5°C higher than normal, please go home.

Please come and pick up your child.

• If student's fever is higher than 37.0°C, go home, too.

5 Other

• Eat well, move around a lot, sleep a lot, and stay healthy.

• Use non-woven masks as much as possible. They are more effective than cloth masks.

All students will be on lunch duty.
 Bring an apron, a white hat, a napkin, and a towel to wipe your mouth. (We don't use white coats for school lunch.)
